December 2015

Dear Business Owner,

To reward the top academic achievers from Garfield High School this year, the Initiatives Committee members are hoping to encourage and support students through our incentive program. As a high school with over 65% of students from low-income families, acknowledging our top academic achievers (those who have earned Grade Point Averages of 3.65 or higher) is an essential step to their future success.

To this end we reach out to you in the hopes that you might offer your support. The committee will be holding a fine art auction to raise funds for these incentives. We would like to know if you would be willing to support our efforts in any of the following manners:

- ✓ Ads/Sponsorships
- ✓ Food related items:
 - Hors d' oeuvres, and/or
 - Coffee & Tea and/or
 - Water and/or
 - Sugar and/or
 - Plastic utensils and/or
 - Paper products (napkins, hot/cold cups, plates)

The included forms allow you to indicate your participation choice(s). We do not ask you for any money or perishables at this time, just your commitment to a future payment in that amount. We will contact you in the near future to arrange the pick-up of your donation and the commitment form. If you are not able to decide right now, we ask that you contact us via the email address listed on the form within the next week to let us know how we may count on you. On behalf of our students we want to thank you right now for your gracious support.

Thank you for helping to recognize and honor the hard work of our students.

Sincerely,

Nancy Kutsup
