

Dave Dishuk Caring Boilermaker Fund

Dave Dishuk was captain of the 1972 football team. Dave proudly wore #52 for the Boilermakers. More importantly Dave was willing to help anyone in need *especially* his former teammates and others from the City of Garfield. Last summer Dave was involved in a debilitating accident that resulted in considerable medical expenses. Dave requires continual care to this day.

A YouCaring website has been established for Dave. To make a donation go to Dave's fundraiser link:
