

## Recycling Update p2

### composting (continued)

Advise your residents who may be interested in finding out more about this program and other BCUA programs to log onto [www.bcu.org](http://www.bcu.org) or call the BCUA Environmental Programs Hotline at 201-807-5825.

### Swap and Share held in "your backyard"

The Association of New Jersey Recyclers (ANJR) invites you to attend a regional share & swap session. Attend one, attend both—the discussions are different and informative.

The goal is to have an informal exchange about whatever is on your mind, to share and learn from each other. This class is worth 2.5 Recertification Meeting Credits for Recycling Professionals.

**Southern Session** — Tues., February 25th  
Clayton Government Services Building  
Clayton, NJ  
9:30AM – 12:30PM

**Northern Session** — Thurs., February 20th  
Bergen County Utilities Authority  
Administration Bldg., Public Meeting Room  
Little Ferry, NJ  
9:30 AM – 12:30PM

Please notify ANJR if you plan to attend either or both sessions. Call the ANJR office at 908-722-7575, or by email: [anjr@optimum.net](mailto:anjr@optimum.net). Also, bring a reusable beverage mug with you, as well as copies of any literature which you'd like to distribute to other attendees. If the weather is inclement, call 908-722-7575, or 908-578-4050 early in the morning to find out whether the session will be held as scheduled.

ANJR is a non-profit, nonpartisan network whose mission is to serve as the voice of recycling in New Jersey through education, advocacy, and the promotion of professional standards. To learn more about them, call 908.722.7575 or visit [www.anjr.com](http://www.anjr.com).

Market information contained in this newsletter is not meant to be an endorsement by the BCUA, and markets mentioned are not the only markets available to the County of Bergen.
