

REQUEST FOR PROPOSALS

ENVIRONMENTAL ENGINEER – GARFIELD REDEVELOPMENT AGENCY

Services Overview

Proposals are solicited by the Garfield Redevelopment Agency for environmental engineer related to the redevelopment activities for the City. These services include, but are not limited to, review of all environmental documentation pertaining to brownfield sites currently designated as an area in need of redevelopment or to be designated as areas in need of redevelopment, preparation of environmental engineering reports on an “as needed” basis.

Project Details

The Garfield Redevelopment Agency is an autonomous agency of the City of Garfield. The Agency is currently managing numerous projects in varying sizes and scopes, including, but not limited to: Vornado, Garden State Paper, C-Mor, Sketchley and the Kalama sites. All areas are designated as areas in need of redevelopment and have or are currently in the process of completing redevelopment plans. The status of each of the properties within the redevelopment area range from no formal action having been taken to developers designated with redevelopment agreements being executed.

The successful proposer will have extensive knowledge of the Local Redevelopment and Housing Law, brownfields redevelopment and substantial redevelopment experience within the State of New Jersey. This RFP covers the period January 1, 2017 through December 31, 2017.

Scope of Services

The following services are anticipated through this Request for Proposals:

- Meeting attendance as needed.
- Environmental engineering consultation and representation regarding any potential brownfield or environmental process affecting the redevelopment, of any parcel designated or in the process of being designated; all other related services.
- Environmental engineering consultation and representation related to relocation, property acquisition, regulatory agency compliance and other project-specific issues.
- Assist with the environmental engineering aspects of redeveloper agreement negotiations.
