BEING ANGELS TOGETHER

Giving Tree GARFIELD YMCA

The Holidays are a time when many of us hear a call. Families are struggling and we can make a difference together. Please join the Y in this years Giving Tree, which will be available both at 70 and 33 Outwater Lane. You will find an ornament with a wish or need. If you can't make purchase, you can still help. Gifts need wrapping. Volunteers (both children and adults) are welcome. If your family has served in another way, please email taracymca@optonline.net how you've been part of this Togetherhood Project. All who respond to the service call will receive a small token. Wear it so others will follow your lead. That way, we will DO MORE TOGETHER.
